

HSBC Warringah Branch is closing

More of our customers are choosing to bank digitally – via our Mobile Banking app, Online Banking, or over the phone.

Because of these changes, we've made the difficult decision to close our HSBC Warringah Branch:

Warringah Branch

Shop 1402A Westfield Warringah Mall
Cnr Condamine St & Old Pittwater Rd, Brookvale
NSW 2100

Our last day of trading at this site will be **13 March 2025**.

If you'd like to continue banking in-person our closest HSBC branch at Chatswood is located 14km away, and our team will continue to help you with your banking needs.

Chatswood Branch

Shop 2, Ground Floor, 342 Victoria Avenue
Chatswood NSW, 2067

Of course, we'll keep helping you bank in other ways, and make sure this change is as smooth as possible for you.

Why we made this decision

With the growing popularity of digital banking, many of our customers are enjoying the flexibility to bank whenever and wherever they want. As a result, we've noticed fewer visits and transactions at our Warringah Branch.

To give you a bit more context to our decision, here's how our HSBC Warringah customers are choosing to bank:

90% of customers who use this branch are **registered for digital banking**

A daily average of **11 transactions per day** at the branch
